Charting Political Sea.

Oyster Bay, N. Y., July 28.—Before Theodore Roosevelt launches out on the troublesome sea of national politics, he will scan the chart with those of his friends who already have tested the period of the troublesome sea of national politics, he will scan the chart with those of his friends who already have tested the period of the Storm. The colonel repeated his statement of last night that he was unwilling to comment on the action of the Ohio Republican State convention until he had received reports from men who were on the ground; but he added who these men will be. They are James R. Garfield, of Cleyeland, who withdrew his name from the convention, and Wade H. Ellis, chairman of the Ohio Republican committee. Gifford Pinchot will later bring soundings from farther West.

Mr. Ellis, it is thought, will ask Colonel Roosevelt to stump Ohio for the ticket nominated yesterday. The colonel would not say to-night whether he will accept. His decision is awaited with the more interest, now that — must give some indication of how he relishes the rebuif administered in the convention to Mr. Garfield and his fellow progressives. The colonel already has agreed to speak at Cincinnation September 9, but it is unifikely that he will venture on State issues then.

Colonel Roosevelt did not know to-night when to expect either Mr. Garfield or Mr. Ellis.

Gifford Pinchot, now in California to take the stump for Hiram Johnson. Insurgent candidate for the Republican nomination for Governor, will bring back word of how the West feels toward conservation, which is to be one of the colonel's chief topics in his word of the West and the South. He inquired to-day with considerable interest when Mr. Pinchot was due to return.

Trade Report.

Bradstreet's to-morrow will say for Richmond and vicinity:

Trade in most lines continue quiet; however, in a few seasonable lines improvement is noted. Dry goods and notions are at their usual between-season duliness, except for orders for future, shipment. Vacation season is in vogue, and absence of a large number of residents from the city has to some extent diversified trade. Shoes and hats continue active. Trunk and bag manufacturers report running to capacity. Drugs and flavoring extracts are in good demand, Groceri's and produce are quiet. Tobacco manifacturers report active ordering. Favorable weather for crop growing has existed this week, and crops are reported in good condition in most localities. Retail trade is quiet and collections slow.

[Special to The Times-Dispatch.]
Salisbury, N. C., July 23.—At Cooleemee, Davie county, this afternoon, Smith Lloyd, a young white man employed in the large cetton mills at that place, was drowned while swimming in deep water. He attempted to cross the Yad-kin River, and sank in the middle of the stream before help could reach him, and he died in plain view of his friends.
